

Joshua Alstatt

TECHNICAL WRITER

Platte City, MO | 816-519-9097 | Alstatt.joshua@icloud.com

Objective

To use my professional experience as a mechanical engineer in a new role as a technical writer. In my prior career, I had the skillset to distill complex information into visual aids, diagrams, and sets of instructions. I am also a husband, a father, a fisherman, and a volunteer. I'd love the chance to work for your company

Experience

Mechanical Engineer II, / Coperion Process LLC **2021 - Present**

- Pneumatic systems design for multi-million-dollar plants
- Customer service / troubleshooting
- Maintain and distribute a catalogue of service manuals
